Re: Freedom of Information Act Request

Dear Ms. Urbiet:

Pursuant to my telephone conversation on July 17, 1986 with Mr. Yena Soylenez of your Philadelphia office, this is to confirm our formal request for the release of documents under the Freedom of Information Act. Once we receive a determination from your office as to which documents we will be allowed to review, we will then make arrangements with your office to have a representative of this office travel to Philadelphia on 7/25/86 to see Mr. Soylenez to discuss the documents or make arrangements to be made to us.

to Mr. Soylenez that the documents we are referring to are the involvement in hazardous waste dump of Pennsylvania and Delaware by Diamond company ("DSCC") or any of its related corporations in interest including but not limited to Diamond Corporation and Diamond Alkali Company. Those interested in are:

Pat

I need time to
prepare (321N-746-86)
request. The atty asked
8 loaded questions

Yena

1. Tybouts Corner, Delaware City, Delaware; *See To Lib...*
2. Blosenski Landfill, Caln Township, Philadelphia, Pennsylvania; *See To Lib...*
3. Strasburg Landfill, Chester County, Pennsylvania. *See To Lib...*

In addition, we desire information concerning the following DSCC active or dormant plants located in Delaware, Pennsylvania and West Virginia:

1. Delaware City Plant, Delaware City, Delaware; *See To Lib...*
2. Superior Zinc Plant, Bristol, Pennsylvania; *See To Lib...*
3. Belle Plant, Belle, West Virginia. *See To Lib...*

We are interested in reviewing the following documents:

1. Any internal correspondence, memoranda, reports or notes from DSCC concerning its operation, maintenance or involvement with any of the above-referenced sites or plants from their inception to the present;
2. Any correspondence between DSCC and any governmental regulatory agency including but not limited to the United States Environmental Protection Agency and the respective state Environmental Protection Agencies concerning DSCC involvement with any of the above-referenced sites or plants;
3. Copies of any complaints, demands or requests made by either governmental regulatory agencies or private citizens against DSCC concerning DSCC involvement with any of the above-referenced sites or plants;
4. Copies of any regulatory reports or environmental studies prepared by any governmental regulatory agencies or environmental consulting firms in conjunction with investigations into the environmental hazards posed by DSCC involvement with any of the above-referenced sites or plants;

5. Copies of any questionnaires or other governmental regulatory forms completed by DSCC and submitted to the United States Environmental Protection Agency regarding DSCC involvement with any of the above referenced sites or plants; and
6. Any correspondence between one governmental regulatory agency and another agency or between a governmental regulatory agency and private citizens concerning any complaints with respect to DSCC involvement in the above-referenced sites or plants.

It is my understanding that you will review this request and respond within ten (10) days indicating the type and approximate number of documents which may be made available to us. Should you have any questions regarding this request, please contact me at your earliest convenience.

Thank you for your assistance in this matter.

Sincerely yours,

J. Bradley Stansfield, Jr.
